

JULY 2ND 2017

Join us for Dinner tonight

To celebrate our first service, we are inviting everybody to join us for dinner at the Biergarten tonight (Schinken-Peter, Perlacher Str. 53, 5min walk from here, reservation under "Bernd Armbruster"). Aletheia will pay your meal up to 15 Euro per person. We'd love to get a chance to spend some time with you and get to know you.

Our Next Service

We haven't decided yet when exactly we will have our next service. For the moment we plan on having 1 – 2 services per month. We aim to have a weekly service as soon as possible, but definitely from September onwards. If you are interested in coming to our next service or join one of our small groups, please call/text/email us or follow us on Facebook. Through these channels you will get all the information about our next events as soon as the time and location are settled.

**SEEKING TRUTH
EXPERIENCING GRACE
SHARING LIFE**

***Our names are Bernd & Ryoko Armbruster
and together with some friends, we are starting a
new International Church in Munich Germany.***

***We are a church that puts a special emphasis on these
aspects of the Christian Faith:***

Love for the Father: Christianity is not a religion. It's about living in a love relationship with God through Jesus Christ. We want all members of Aletheia to experience God's love in a deeper way, and as a result, love God more and love others more.

Truth (Aletheia is the Greek word for "Truth"): We will never deviate from or compromise on what the Bible says and the church has believed for centuries. No matter what our culture says, what the majority of people around us say, God's teaching revealed to us in the Bible is the absolute and final authority for all questions of life.

Family and relationships: We believe that the world will be completely transformed if only one thing changes: Christians embrace Biblical principles about singleness, marriage and family life. We want all members of our church to have healthy relationships and be an example to people around us in the way we live. If you are single, we want to help you to enjoy and make the most of this unique season of your life. If you are planning on getting married one day, we want to equip you for your future family life. If you are married, we want to walk with you to become the best husband/wife you could possibly be. If you have children, we want to support you to be the father or mother that God wants you to be. We want our relationships and families to shine and communicate to society around us who Jesus is, even without words.

Become part of our Community!

We want to encourage everybody who wants to know more about Jesus to seek out Christian Community. We believe that the key to long term growth in our Faith is to stay connected with other Christians. Attending Sunday Services is great, but to really grow in our Faith, we need more than that!

If you are here today and would not call yourself a Christian, but are curious about Jesus, what Christians believe and what it means to be a Christian, then please join an Explorer Group. It's a safe place to simply learn what Christians believe in. No strings attached.

If you would call yourself a Christian, we want to encourage you to become part of the Church Community by joining one of our small groups. We need the support from other Christians to draw closer to God, deal with difficulties and resist temptations.

Let us know if you would like to join a small group, and we'll get you connected.
