Serving homeless people last Sunday

Last Sunday we prepared gift bags and handed them out to homeless people in the city. On the day and throughout the week, we gave away around 30 bags, worth nearly 200 Euro in total.

We want to thank everyone who participated in giving, praying, packing and/or handing out the bags.

Library

AIC is now offering a small library. You can borrow books any Sunday, if you are interested in any of the books. Also, if you don't have a Bible, please take one home for free.

Prepare/Enrich available !

Pastor Bernd and His wife Ryoko are now licensed to run Prepare/Enrich. It's a great tool to look at the current state of your marriage and learn some new tools to make some changes and improvements. We are offering this program for any married couple or two people who are seriously thinking about marriage.

This program is also a great way to reach out to your community, since participants do not have to be Christians.

Should I celebrate Christmas?

We would like to encourage everyone to reflect on today's sermon over the next few days. Below are some questions that could help us all go deeper with God during our quiet time.

Also, please feel free to listen to the sermon again through our app and/or our website.

Mark 14:61-62 ... Again the high priest asked him (Jesus), and said unto him, Are you the Christ, the Son of the Blessed? And Jesus said, I am: and you shall see the Son of man sitting on the right hand of power, and coming in the clouds of heaven.

- What is my opinion about Jesus? Do I think He is God?

If I don't believe He is God:

- How I do explain the tremendous historic impact He had? And how do I explain that millions of people all over the world claim that He has changed their lives today?
- Did I spend enough time to really investigate the claims of Jesus? Is my opinion about Jesus really based on my own research on this topic? Or am I simply giving an emotional argument? Or am I simply believing about Jesus what someone else told me to believe about Jesus?
- Do I want to investigate more on this topic? How will I do that?

If I believe that Jesus is God:

- Is the way I live my life really reflecting what I say I believe?
- In what area of my life do my actions show that I don't really believe and trust God fully? Do I want to ask God to increase my Faith and to change the way I live?
- Am I truly living this Christmas season for Jesus? Am I fully celebrating that my Savior was born? Or am I far too busy with cultural stuff that I miss what this season is truly all about? Do I want to make any changes in my priorities in the coming days, to return to the true meaning of Christmas?
