

Discipleship Group: Try it out!

In our Discipleship group, we look at the basic claims of the Christian Faith and look at Biblical passages around those claims together. The material equips us to find answers about our Faith directly from the Bible.

We are meeting each Sunday, 1:30pm. We are encouraging everyone to give this group a try one time and see whether it's the right fit for you.

Singleness

Below are some questions that could help us all reflect on today's sermon and to go deeper with God during our quiet time this week.

1 Corinthians 7:32-33 But I would have you without concern. He that is unmarried cares for the things that belong to the Lord, how he may please the Lord: But he that is married cares for the things that are of the world, how he may please his wife.

For everyone

- Do I believe that my (future) marriage should fulfill me? Am I making my (future) spouse my idol? Or do I put my trust in God?
- What is the purpose of my (future) marriage? What aspects of my (future) marriage does God want me to surrender for the Glory of God?

For Singles

- Do I see singleness as a gift? Why or why not? Is my opinion coming from the Bible or from society? What does my answer say about my heart?
- Am I surrendering my future marriage to God? Or do I simply want to marry the person I like, when I would like to?
- What is my view on „Dating“? Is my opinion found in the Bible, or mainly shaped from society?
- Do I fulfill Biblical requirements for marriage? If not, what can I do to get ready?

For Married People

- Do I treat singles as if „they should get married“? Or do I encourage them to use their time as singles as a gift from God?
