**SEEKING TRUTH
EXPERIENCING GRACE
SHARING LIFE**

Prepare/Enrich available

Pastor Bernd and his wife Ryoko are licensed to run Prepare/Enrich. We are offering this program for any married couple or two people who are seriously thinking about marriage.

This program is also a great way to reach out to your community, since the program can be run without including religious topics. Contact us for details.

Library

AIC is now offering a small library. You can borrow books any Sunday, if you are interested in any of the books. Also, if you don't have a Bible, please take one home and keep it for free.

Baptism + Farewell for Angelo & Phoenix

Next Saturday, August 04th, Aletheia will have its very first baptisms. We're still working out the details, but it'll be Saturday late afternoon/evening. We'll also have a meal together and some time to celebrate and relax together. We will also use this occasion to say goodbye to Angelo & Phoenix and their family, as they will be moving to India in August.

We encourage all members of Aletheia to join this special event.

My Spouse, the Alien (Part 2)

Today's recommended Reading:

His Needs, Her Needs: Building An Affair-Proof Marriage (by Willard F. Harley)

Below are some questions that could help us all reflect on today's sermon and to go deeper with God during our quiet time this week.

John 13:34 A new commandment I give unto you, That you love one another; as I have loved you, that you also love one another.

For everyone

- If I look at the list of „10 needs“: Which 3 would I pick as „most important to me“ for my future marriage?
- If I assume for a moment that my future spouse has the typical top 5 needs: Which one would be most difficult for me to give? How can I prepare myself today so that I can offer that need to my future spouse once I am married?

For Married People

- Do I know the top needs of my spouse?
- Does my spouse know my top needs?
- Do we have regular conversations about how we can meet each other's needs in a better way?

A challenge for all married couples

Each partner picks one(!) need they feel isn't fully met today. Share with each other and make a commitment to improve in this area over the next month. Settle a date night (without kids) in around one month and talk with each other if there is any change in your relationship.
