Schedule and Corona Virus

Due to the current situation with the Corona Virus and the government regulations, we have decided to not hold official meetings for the moment. However, we will not stop being the church. Therefore, we will continue the following activities:

- *We will continue give sermons and make them available online each Sunday. We are also considering offering sermons more frequently, to help us stay connected.*
- *We will have „online meetings“ for men and for women. We want to provide bigger gatherings, but the meeting would probably be too messy if we try to get all members together. Therefore we'll try meeting among men and among women separately. The guys meet on Sundays at 8:30pm. For the ladies, please arrange a time among yourselves. We'll send you invitation links to join these gatherings.*
- *We want to encourage everyone to reach out to each other during this special time. We need to each other the most in times like this. And just because we are not allowed to meet doesn't mean we have to stop being the church. So we want to encourage everyone to reach out to each other, either online or meet in person, one on one.*
- *For the Easter Weekend, we will offer four messages, one each day from Good Friday to Easter Monday.*

Tell us your story

We're opening up our Sunday Services for personal stories (Testimonies, Prayer Requests, Stories about our lives,...) Please let Bernd know if there is anything you would like to share with the rest of us.

Praying in crisis

Hebrews 13:8 Jesus Christ the same yesterday, and today, and forever.

Below are some questions that can help us all go deeper with God during our quiet time this week

- How am I currently dealing with feelings of fear, frustration, uncertainties, etc. Am I acknowledging them? Or am I trying to suppress them? Am I truly honest with God when it comes to my feelings?
- Have I recently spent intentional time to give thanks? Why or why not? Do I want to put some time in my schedule this week, to simply give thanks to God, nothing else?
- Has God brought me through distress in the past? How does this influence my confidence in God during this time?
- How does the promise of God's kingdom change my view on the crisis we are currently living through?
- Have confession, forgiveness and deliverance been part of prayer life during this season? Does God want to use this season to do some work in my heart in this area?
- What area of prayer from today's message does God want me to focus on more during this unique time we are living through?
